### Inclement Weather Policy

The Children's Center is closed any day the Weston Public Schools close due to inclement weather or weather related problem. These days are made up at the end of the school year.

If school is released early due to severe weather, the Children's Center will be closed. If the Public Schools have a full day of school and decide to cancel after school activities due to an impending afternoon storm, the Children's Center will be closed. There will be no CCW teachers or staff in the buildings and in both cases, we will post our website, email you, and launch our automated calling system using the phone numbers you provided on your enrollment forms (parent numbers only) as soon as we receive notice from the schools. Please always have a backup plan communicated to your child and the school office on inclement weather days.

If any of this information has changed (phone numbers especially) since last spring from your enrollment forms and you have not given us the current information, please do so as soon as possible. Also, if there are parent/work contact numbers you have given us that you do not wish to be called, let us know.

Please note that if the schools have a delayed opening in the morning, then, we will open for all grades at our regular time. (If a Wednesday – Enrolled Wednesday Kindergartners may be brought to the Center at 12:15.)

(from the Children's Center of Weston Parent Handbook)

### ***SNOW/EMERGENCY CLOSING DAYS***

If there is no school in the Weston Public Schools due to severe weather or other emergency, the Children's Center also will be canceled. These days are made up at the end of the school year. If the schools have a delayed (normally 10:00) opening, the Center will open at the usual dismissal time (please see above if a Wednesday for Kindergartners).

If school is released early due to inclement conditions or other emergency, the Center will be closed. If the Public Schools are in session for a full day and they cancel after school activities due to an afternoon storm, the Center also will be canceled. In this event, we will call and email you as soon as we are alerted by the Weston Schools. There will be no CCW teachers or staff in the buildings to receive your child. Please have a backup plan ready.

Please be sure to keep all your emergency notification information up to date so that you can be reached quickly in case of the above events.
